

**NOTICE OF TENDER FOR THE  
REHABILITATION OF  
ST. OLA ROAD AND ST. OLA ROAD BRIDGE  
CONTRACT No. 170-4183**

SEALED TENDERS clearly marked will be received by the Township of Limerick at Jewell Engineering's Belleville office by:

1:30 p.m., local time on, Wednesday, May 8th, 2019.

For the Rehabilitation of St. Ola Road for an approximate length of 5.0km, from the roadway's intersection with Highway 62 easterly, and for the Rehabilitation of St. Ola Road Bridge.

The work includes, but is not necessarily limited to the following:

- In-Place Processing of Bituminous Material
- Earth Excavation and Grading
- Granular Road Base
- Earth / Rock Ditching
- Culvert Installations
- Hot Mix Paving
- Steel Beam Guide Rail Installations
- Pavement Markings
- Installation of New Warning Signs
- Bridge rehabilitation in staged traffic to include partial depth concrete removals, patch repairs with new concrete curbs and steel barrier system

Tender documents may be obtained via the tender service provided by Biddingo, by visiting and searching the Biddingo.com website.

Lowest or any tender not necessarily accepted.
