

Some important information provided below regarding service interruptions corresponding to the rollout of changes to the Ontario Outdoors Card program. This will be of particular interest to anglers and hunters.

- From November 19 to 25 there will be *no* fishing or hunting licences for sale online, at licence issuers or at Service Ontario locations.
- From November 19 to December 31, licences requiring a game seal will *not* be available for purchase.
  - All fishing and hunting licences not requiring a seal *will* be available for sale.

**\*\*\*Make sure you buy your 2018 hunting licences that are accompanied by a game seal before November 19.\*\*\***

“The new fishing and hunting licensing service will modernize the way Ontarians can get fishing and hunting licences. People can buy fishing and hunting licences quickly and conveniently – online, by calling the ministry’s automated phone line, or in-person at a participating ServiceOntario centre or a private licence issuer. Improvements to the service will support the needs of our clients who enjoy the many fishing and hunting opportunities available in Ontario. “
